II. Booth Reservation and Qualification Review Principles

1. General Principles

(1) 3 different booking phases in accordance with the number of booths applied.

(2) Within the same phase, priority of booth allocated is based on the score (please refer to the scoring principles and criteria).

(3) In the case of same booth scale with similar score, the principle of "first come, first served" will apply.

2. Scoring Principles and Criteria

Scoring will be centesimal grading. Please submit all scoring documents according to the **Scoring Principles and suggestions** listed above. The score of each item will be capped as indicated.

If you prefer to continue to use the scoring documents submitted for **Sino-Dental**[®] **2018** with some supplementary materials, please specify in the application form.

CATEGORY	SCORE
1. INNOVATION 35%	
Intellectual property rights documents;	1-3 points for each valid document,
Authoritative registration documents such as FDA, CE, etc.	max 15
New products/technology debut/launching (globally or in	1-2 points for each valid document,
China)	max 6
Innovative cutting-edge technology with independent IP	1-3 points for each valid document, max 6

www.sinodent.com.cn/en

	level of severity and number of times
	(1-5 points for each record), max 20
	3 years of record will be counted. Based
Provinus resola lease and/or sublease of beeths	upon the level of severity and number
Previous resale, lease and/or sublease of booths	of times (1-10 points for each record),
	max 30
	3 years of record will be counted. Based
Violation of booth construction regulations, etc. (relevant	upon the level of severity and number
complaints included)	of times (1-5 points for each record),
	max 15
	3 years of record will be counted. Based
On-site misconducts such as display or sale of fake	upon the level of severity and number
products or unrelated products, etc.	of times (1-5 points for each record),
	max 15
Other conducts that has affected the on site subilities	3 years of record will be counted. Based
Other conducts that has affected the on-site exhibition	upon the level of severity and number
order, or undermined the fairness of booth reservation,	of times (1-8 points for each record),
etc.	max 20

III. Working Principles

1. Sino-Dental[®] will further improve the company entry mechanism, and strictly review the relevant qualifications of the exhibitors as requested by the relevant laws and regulations. For first-time exhibitors, please be reminded to submit complete application documents and qualified credible materials for scrutiny purpose.

2. Sino-Dental[®] is committed to fulfill the obligation of information disclosure. The relevant information will be published in accordance with the information release procedure. Reservation notice and related reminders for materials submission will be send out before the start of each phase. Please be noted that only the applications and submissions sent to info@sinodent.com.cn / sino-dental@qq.com will be proceeded by Sino-Dental[®].

A second reminder will be sent out before the deadline for each application phase. Please provide valid and complete contact information in your application. If any changes occur, please timely notify Sino-Dental[®] to make sure your company will receive the notice in time.

3. Booth booking process is subject to openness and transparency, and all behaviors of fraud, bribery or corruption are strictly prohibited. Once any aforementioned behaviors were detected, the involved staff will be subject to severe punishment, and the involved company will be counted inferior in the credit rating process due to unfair competition. Exhibitors are welcome to report any detection of such behaviors. Your understanding and cooperation will be highly appreciated.

4. Sino-Dental[®] will collect all the materials submitted by the companies and will not start the inventory and the scoring until the submission deadline of each phase. The criteria indicated in section II will be strictly followed.

5. For the companies fail to return booth confirmation letter or pay the deposit in time, the booth allocation will be canceled, and the relevant booths will be released to the remaining booth pool for open application. Under certain circumstance or with force majeure, the company could formally submit extension application in writtenform 3 working days prior to the deadline.

6. Sino-Dental[®] will strictly abide by the booth allocation criteria and scoring process announced. Booth will be allocated in accordance with both the application and the final score. Sino-Dental[®] has strict working and authorization procedure for booth allocation, in which at least 3 levels of approval will be executed. Once a decision has been made, Sino-Dental[®] will inform the company to confirm the booth allocation and pay the deposit via booth confirmation letter. The contract will be issued in due course upon the receipt of booth deposit.

7. To protect the legitimate right of the companies involved and the visitors, any resale, lease or sublease of booths is strictly prohibited. If any violation were detected, Sino-Dental[®] reserves the right to cancel the booth and record the violation for score deduction.

8. Sino-Dental[®] prohibits any form of infringement of others' intellectual property. Once detected, Sino-Dental[®] will cease to proceed any booth application from the company involved, and record the violation for score deduction in future applications.

IV. Booth Reservation Reminders

1. Companies should submit the booth application form and addition documents, and the **scoring documents** to Sino-Dental[®] through email (info@sinodent.com.cn/ sino-dental@qq.com) or fax (+86-10-88393924) (booth application form is available online) **prior to the deadline**.

Please assure the application form is completely and clearly filled out with printed letters. The scoring documents are not mandatory, and thus no scores will be deducted if the company did not submit the document for scoring: the related category will only be counted as zero. Unqualified companies will not be eligible for booth application.

2. Booth Application Principle applies for all companies. Please submit all documents according to the booking schedule. Companies in Phase II should send application forms and all relevant documents via email or fax. Sino-Dental[®] will allocate booths together after reviewing the documents. Companies in Phase III should submit the

application documents **after** the email/hotline call-in pre-reservation. The higher scored exhibitors will have the priority for booth allocation and booth adjustment.

Domestic companies who fail to submit application documents in 7 days after hotline reservation will be regard as invalid reservation. For the companies that have deduction scores, Sino-Dental[®] reserves the right to cancel or postpone the booth allocation.

3. Sino-Dental[®] will confirm the booth with each company via email or fax. After receiving confirmation letter, please confirm the letter by signing and sending it back, and make the deposit payment (RMB 3,000 per booth) prior to the deadline, otherwise the booth will not be reserved.

4. For the exhibitors that have participated in Sino-Dental[®] in three or more consecutive years, maintained certain exhibition scale, and scored in 3 or more categories listed in Scoring Criteria and with no deducted scores, will have the priority to apply for the expansion of exhibition area.

5. Any re-sale, lease or sublease of booths to other companies in any shape or form before and during the exhibition is strictly prohibited. If any violation was detected, Sino-Dental[®] reserves the right to cancel the booth and prohibit the company from exhibiting in the following year. Any economic or legal consequence shall be borne by the violator itself.

6. Majority of the exhibition areas are raw space. The exhibitors for raw space will be responsible for their own qualified construction (please refer to official contractor for construction principles). For standard booth application, please choose the booth in the designated area. Otherwise, the reservation will be deemed as invalid.

7. Sino-Dental[®] reserves the right to adjust any booth under the consideration of overall exhibition arrangement.

8. This notice is subject to changes. Please refer to the official website for the most updated notice.

Sino-Dental[®] Organizing Committee September 27, 2019

Sino-Dental[®] 2020 Booth Application Form

Please be aware that this application form is requested to be completely and clearly filled out with

printed letters.

I. Company Profile

Company Name	(In Chinese, if any)				
Contact Person		Position		Mobile	
Tel		Fax		Email	
Mailing Address				Postcode	

II. Business and Product Category

We are	Manufacturer	🗆 Dealer	Agency	🗆 Media	Association	
We are □ Others, <i>please specify</i> :						
Our exhibits category		Please tick the corresponding items in the appendix				
		(compulsory)				

III. Booth Application (Please refer to the floor plans for your choice)

Step 1. Please specify:

- Raw Space (Conference Area: F1, F3, F4; Exhibition Area: F1).
- □ Standard Booth (B1, F4)

Chan 2 Diagon fill in the blank for your booth shains (minimum	$\sim \cdots \sim \sim$
Step 2. Please fill in the blank for your booth choice (minimun	1 Unit: 9 sqm /1 booth):

F1(CNCC Exhibition Area)	sqm raw space	Booth No.	
F1(CNCC Conference Area)	sqm raw space	Booth No.	
B1	sqm raw space (orstandard booths)	Booth No.	
F3	sqm raw space	Booth No.	
F4	sqm raw space (orstandard booths)	Booth No.	
Please refer to CNCC layout floorplan for the locations of the exhibition halls.			

Step 3. Application Submission. Each company is requested to submit the scanned copy of **relevant certificate documents such as Business License, Registration Certificate, Manufacture Certificate, and etc.**, together with this application form and its attachment to <u>info@sinodent.com.cn</u> or <u>sino-dental@qq.com</u>. The application will only be proceeded upon the receipt of all the requested documents listed above. The booth will be allocated

following the Sino-Dental[®] reservation rules and Sino-Dental[®] reserves the right to adjust booth arrangements.

IV. Scoring Documents Submission

The document number should correspond to the name of the submitted documents. If there are more materials submitted, a separate form can be attached. (If inaccurate classification affects the score, Organizing Committee will not bear the responsibility). If the company did not submit the document for scoring: the related category will only be counted as zero (except for deduction items).

Please specify if your company wish to use the scoring documents submitted in 2019:

 \Box We will use the scoring documents previously submitted for Sino-Dental[®] 2019, and other supplementary materials are listed below

 \Box We prefer not to use the scoring documents submitted for Sino-Dental® 2019. Please refer to this new submission

Number	Item	category	Description of submitted document (1.2.3)

Example (only for your reference):

Number	Item	Category	Description of submitted document (1.2.3)
1	Innovation	Independent intellectual property right	1. Patent certificate
2	Innovation	Industry-leading technology	2. NMPA green path authentication
3	Brand	International Standard Certification	3. ISO90001 authentication
4	Brand	Company image	4.Photos and Catalog of exhibition in 2019 IDS
